# GREEN BUILDING COUNCIL FINLAND

Lyhyt esittely työstämme ja tavoitteistamme.  
A short presentation of us and our mission.

# Green Building Council Finland

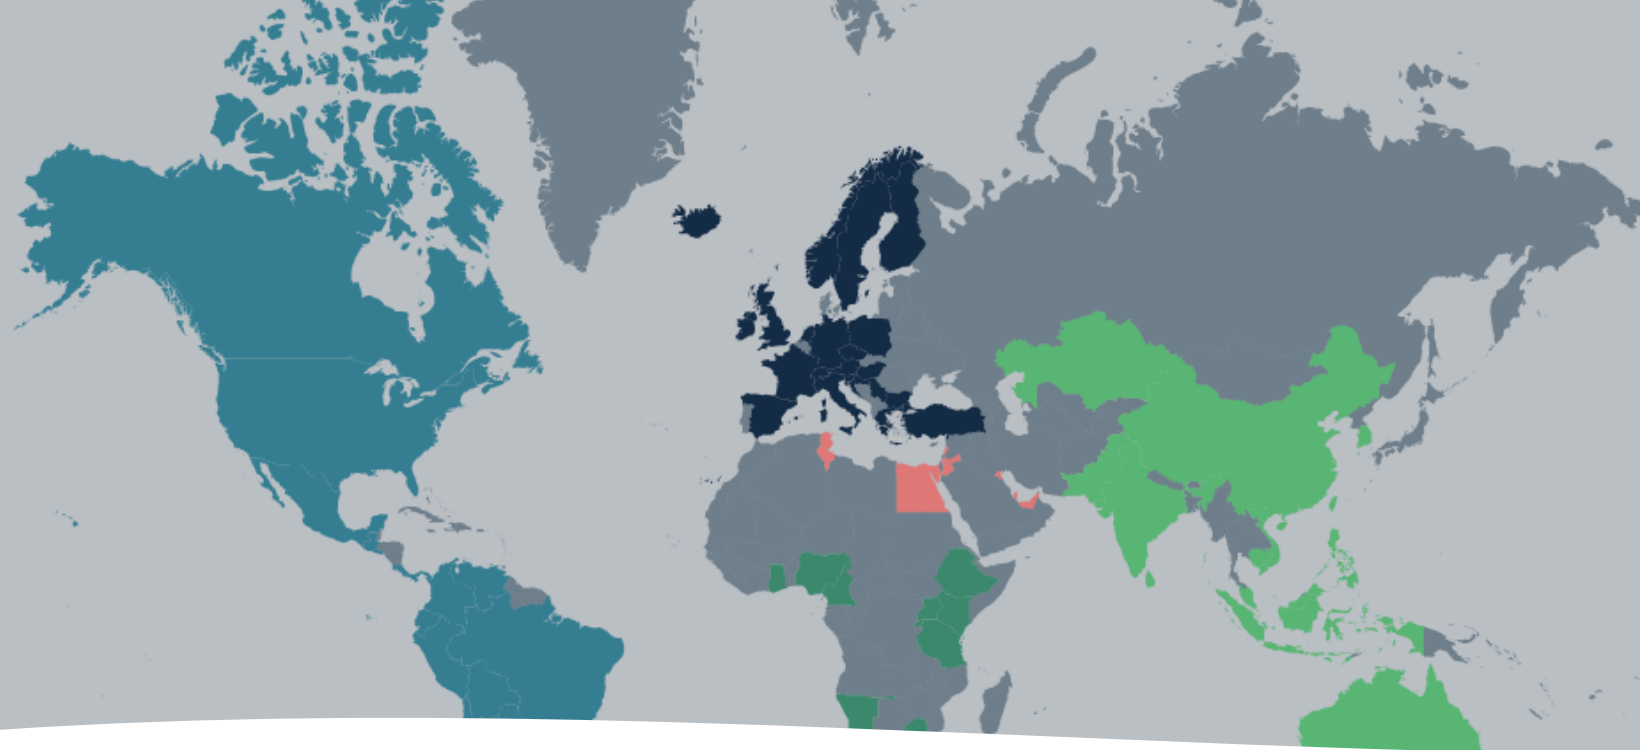

- Yleishyödyllinen, voittoa tuottamaton yhdistys.
- Perustettu 2010.
- Toimintamme ulottuu koko rakennettuun ympäristöön ja sen elinkaareen.
- Toimintamme vaikutus muodostuu osallistavasta yhteistyöstä sekä asiantuntijoidemme ja kansainvälisen verkostomme näkemyksestä.
- Yli 300 jäsentämme edustavat laajasti rakennettua ympäristöä, arvoketjun eri kohdista.
- Olemme World Green Building Councilin jäsen.
- Non-profit organization.
- Founded in 2010.
- Accelerating whole life carbon approach in the built environment.
- The impact of our work is based on the cooperation of our members, and the insight provided by our experts and international network.
- 300+ members, representing the built environment sector.
- We are a member of World Green Building Council.

# Näytämme suunnan, autamme matkalla.

- Green Building Council Finland tekee asioista selkeitä. Meiltä saat näkemyksen alan tulevaisuudesta ja siitä, miten se vaikuttaa toimintaasi.
- Kokoamme eri puolilta arvoketjua parhaita käytäntöjä ja luomme yhteisen ymmärryksen niistä keinoista, jotka auttavat edistämään ympäristökestävyyttä.
- Tuomme nuo ratkaisut mahdollisimman nopeasti käytäntöön – osaksi verkostomme jokapäiväistä tekemistä.
- Lisäksi saat konkreettisia ratkaisuja työsi tueksi sekä samoihin tavoitteisiin sitoutuneen verkoston.

# We show the way - and help on the journey.

- We aim to clarify. The real estate and construction industry is a complex field. From us you will get a relevant image of what is happening in the industry, how the changes affect your operations and what kind of solutions are required to best promote an environmentally sustainable built environment.
- We gather best practices from different stages of the value chain and create a common understanding of the best solutions.
- Cooperation that benefits us all. We are an active operator – Our work is based on inclusive cooperation out of which concrete action models for the whole field are born. By working together, you will receive both organizational and personal gain: practical solutions and valuable networks.

# NORDIC NETWORKS FOR CIRCULAR CONSTRUCTION

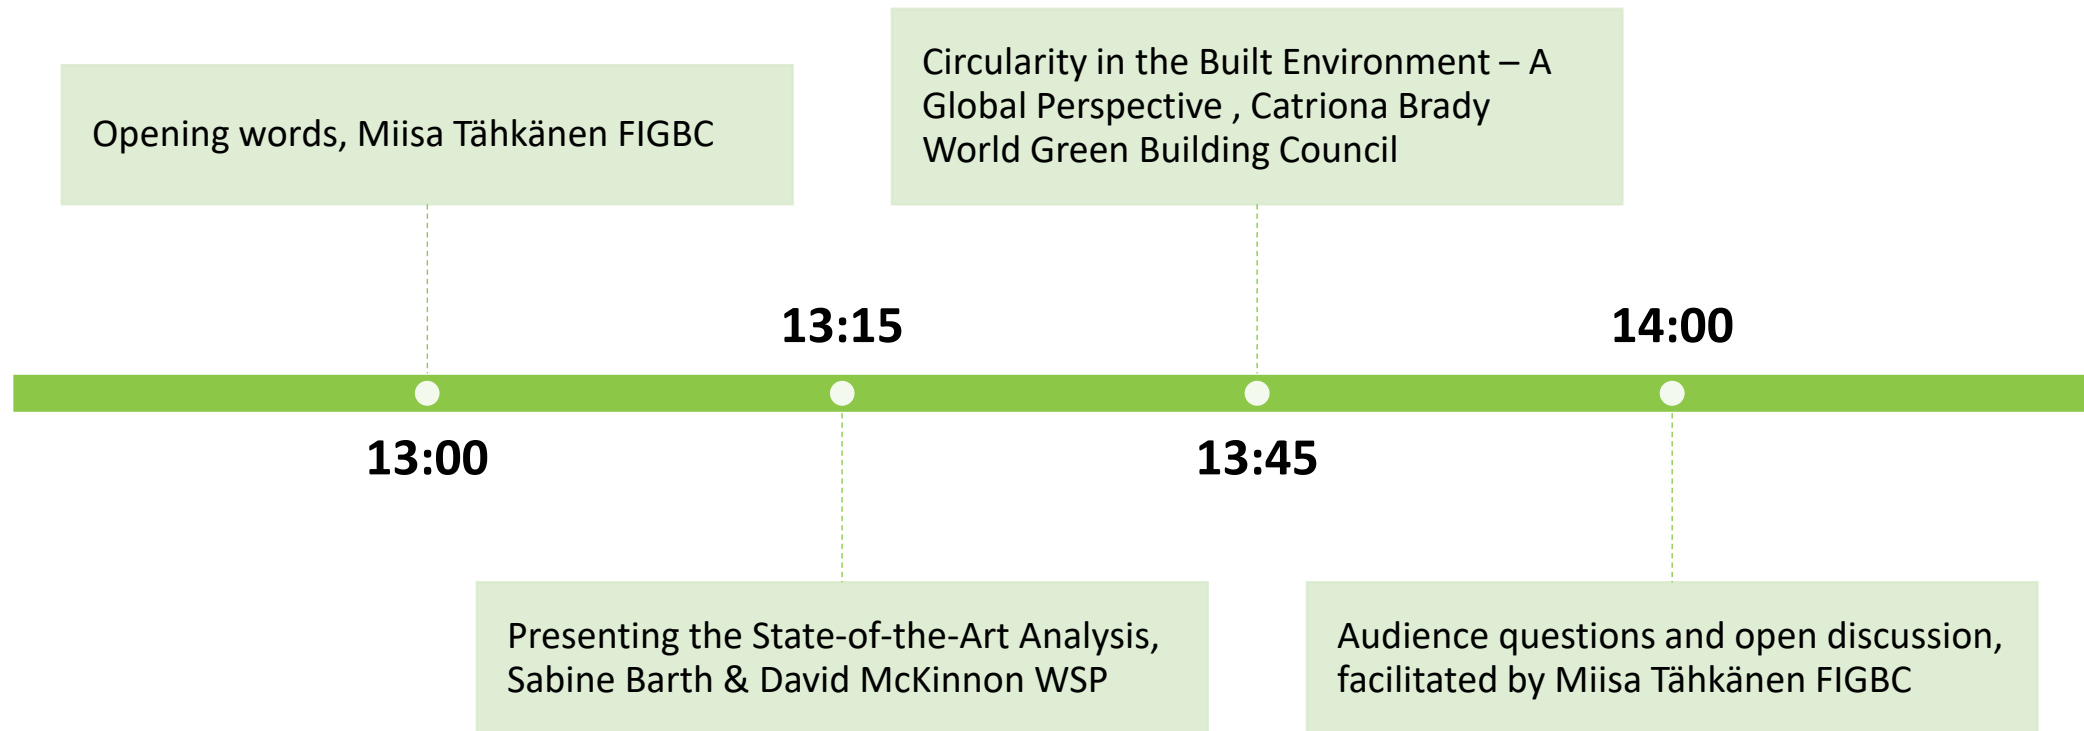

The logo for the World Circular Economy Forum 2023 is displayed on a light blue background. It features a central globe with a white outline of the world's continents. Overlaid on the globe are large, stylized letters: a black 'W' at the top, a white 'E' on the right, and a grey 'F' at the bottom. The text 'World Circular Economy Forum 2023' is written in a clean, black, sans-serif font across the middle of the globe. A horizontal line is positioned below the text.

## World Circular Economy Forum 2023

- The World Circular Economy Forum WCEF, one of the leading circular economy events in the world, will be organised in Helsinki from 30 May to 2 June.
- The forum is co-organised by Finnish Innovation Fund Sitra and Nordic Innovation.
- In addition to the local event, side events are held through out the year all over the world.
